INFORMATION FOR HIRERS

The Saatchi Gallery at the Duke of York's HQ on King's Road by Sloane Square is London's newest and most exciting events venue. Its unique nature not only stems from its fascinating history, but also the fact that events have never been held there before. The space itself is unrivalled in terms of possibilities and flexibility.

The Saatchi Gallery occupies the entire 70,000 square feet of this magnificent building, with all rooms available for hire. The Gallery interiors are modern, simple, and very well proportioned with high ceilings; an ideal blank canvas for production and an elegant setting for all events. Please refer to the virtual tour on www.saatchigallery.com for a closer look at the new Gallery.

The Gallery is ideal for both large and more intimate events, with a capacity of up to 1500 people. We encourage each client to personally choose the specific rooms they wish to hire, but will also guide them based on suitability. There is the option of exclusive or partial hire based on your requirements.
